

Request for Vehicle Information Report
(please print form, complete, sign and upload it)

A Vehicle Information Report will include the vehicle description, as well as vehicle status and registration history in Alberta. It will only tell you if there is a current lien on the vehicle in Alberta but will not give any details. It will also not tell you any registered owner information.

Vehicle Information:

Serial Number/VIN: _____

Make/Model/Year (if known): _____

By signing this form, you acknowledge that the information provided is accurate. You also acknowledge that the fees paid for the search product are **non-refundable** even if there is no information to report, or no vehicle is found.
